Consolidated High School

Vancleave, Mississippi

DEDICATION

For many years Vancleave School has stood as a center of learning in our community. Many students have gone out from this school. Their records of achievement indicate that Vancleave School was and is an institution of learning of which any community might be proud.

Therefore, in appreciation to all who have helped us to maintain Vancleave School--

To the administration that sponsored our education--
To every teacher who has taught in our classrooms--
To the superintendents and principals who have guided us--
To the parents and patrons who have made it possible for us to attend school--
To every student attending Vancleave School and those who have attended in the past--
To our bus drivers who have carefully driven us to school each day--
To our lunchroom workers who have prepared our meals--
To our janitor who has helped us to maintain a clean and attractive school--
To our Parents' and Teachers' Organization, Library Association, Boosters' Club, and other organizations that have worked so faithfully for our benefit--

We the Annual Staff of "Time 'N' Tide" dedicate our yearbook.
